INTERNAL MEDICINE PRIVILEGES

FOR THE MOST ACCURATE INFORMATION REGARDING A SPECIFIC RESIDENT'S PRIVILEGES, PLEASE CONTACT THE DEPARTMENT.

PGY I JOB DESCRIPTION

PROCEDURES:

The following procedures may be performed independently if the resident is certified /credentialed in the specific procedure, as documented in the log-book and /or New Innovations. The following procedures must be performed under the supervision of a practitioner with clinical privileges for the procedure until he/she meets the requirements for performance of the procedure without direct supervision. PGY II or PGY III residents who have been fully credentialed in each procedure may supervise, educate and certify the resident during the procedure. Informed consent is required for certain procedures as annotated below:

1. Arthrocentesis (Consent required)
2. Arterial Puncture/ABG (General Consent)
3. Bladder Catheterization, Male/Female (No Consent)
4. Biopsy of Skin (Consent)
5. Lumbar Puncture (Consent)
6. Nasogastric Tube Insertion (Consent)
7. Soft Tissue Injections (Consent)
8. Abdominal Paracentesis (Consent)
9. Cardiopulmonary Resuscitation/Advanced Cardiopulmonary Life Support
10. Central Venous Placement (Consent)
11. Thoracentesis (Consent)
12. Ventilator Management

Certification and granting of these listed privileges is the reserved responsibility of the Internal Medicine Residency Program in accordance with hospital-specific bylaws.

PGY II JOB DESCRIPTION

PROCEDURES:

The following procedures may be performed independently if the resident is certified /credentialed in the specific procedure, as documented in the log-book and /or New Innovations. If not certified in a particular procedure, the PGY II must perform these procedures under the supervision of a practitioner with clinical privileges for the procedure until he/she meets the requirements for performance of the procedure without direct supervision. Other PGY II or PGY III residents or attending staff who have been fully credentialed in each procedure may supervise, educate and certify the resident during the procedure. Informed consent is required for certain procedures as annotated below:

1. Arthrocentesis (Consent required)
2. Arterial Puncture/ABG (General Consent)
3. Bladder Catheterization, Male/Female (No Consent)
4. Biopsy of Skin (Consent)
5. Lumbar Puncture (Consent)

INTERNAL MEDICINE PRIVILEGES

6. Nasogastric Tube Insertion (Consent)
7. Soft Tissue Injections (Consent)
8. Abdominal Paracentesis (Consent)
9. Cardiopulmonary Resuscitation/ Advanced Cardiopulmonary Life Support
10. Central Venous Placement (Consent)
11. Thoracentesis (Consent)
12. Ventilator Management

Certification and granting of these listed privileges is the reserved responsibility of the Internal Medicine Residency Program in accordance with hospital-specific bylaws.

PGY III JOB DESCRIPTION

PROCEDURES:

The following procedures may be performed independently if the resident is certified /credentialed in the specific procedure, as documented in the log-book and /or New Innovations. If not certified in a particular procedure, the PGY III must perform these procedures under the supervision of a practitioner with clinical privileges for the procedure until he/she meets the requirements for performance of the procedure without direct supervision. Other PGY III residents or attending staff who have been fully credentialed in each procedure may supervise, educate and certify the resident during the procedure. Informed consent is required for certain procedures as annotated below:

1. Arthrocentesis (Consent required)
2. Arterial Puncture/ABG (General Consent)
3. Bladder Catheterization, Male/Female (No Consent)
4. Biopsy of Skin (Consent)
5. Lumbar Puncture (Consent)
6. Nasogastric Tube Insertion (Consent)
7. Soft Tissue Injections (Consent)
8. Abdominal Paracentesis (Consent)
9. Cardiopulmonary Resuscitation/Advanced Cardiopulmonary Life Support
10. Central Venous Placement (Consent)
11. Thoracentesis (Consent)
12. Ventilator Management

Certification and granting of these listed privileges is the reserved responsibility of the Internal Medicine Residency Program in accordance with hospital-specific bylaws.
